

We are pleased to present a sample of J&M's coins from around the world

This list features both third-party graded coins, in two sections:

Section 1 contains coins from the United Kingdom (including pre-Treaty of Union: i.e.1707)

Section 2 contains coins from around the world. All coins are graded by NGC, unless otherwise indicated. Applicable taxes are extra on all Canadian orders, and shipping is not included.

This list was updated on June 21, 2016, but all coins are subject to prior sale.
