

We are pleased to present a sample of J&M's coins from around the world

This list features third-party graded coins, in three sections:

Section 1 contains coins from the United Kingdom (including pre-Treaty of Union: i.e.1707)

Section 2 contains coins from the German states.

Section 3 contains coins from around the world. All coins are graded by NGC, unless otherwise indicated. Applicable taxes are extra on all Canadian orders, and shipping is not included.

For gold coins priced close to bullion value, price is subject to change (either up or down) due to market fluctuations in gold or the Canadian dollar exchange rate.

This list was updated on Nov 30, 2018, but all coins are subject to prior sale. To
