

J&M is pleased to release our updated list of Third-Party graded/certified Canadian , and USA Government, paper money. Highlights include the only known Molson's Bank 1893 \$5.00 NOT in an institutional collection -- the other is in Bank of Canada Collection, and one of five known 1891 \$10 notes issued by the Bank of Montreal. There are many other treasures for collectors of all budgets, including early Bank of Canada, Dominion of Canada, and more recent, but scarce offerings such as special serial numbered, scarce prefix, and replacment notes. Please remember that prices do not include GST (HST), and all notes are subject to prior sale. Most items are unique within our inventory, so order quickly to avoid disappointment. Prices and list are current as of March 9, 2017, and are subject to change without notice.
